B-284973 Systems, to capitalize on the lessons learned from SSAs Year 2000 initiative by establishing and implementing a plan and cognizant milestones for identifying which of its processes and practices can be applied to the agencys existing approach toward managing information technology and institutionalizing those processes and practices as part of the agencys implementation of the Clinger-Cohen Act, where appropriate. In commenting on a draft of this report, SSA agreed with our Agency Comments recommendations and stated that the agency had already begun to apply lessons learned from its Year 2000 efforts.
