A student may not take any course, either in whole or in part (as explained under the above definition of failed) more than twice. A second record of failed on the same course involves withdrawal from the Department of Medicine. Candidates for the degree of Doctor of Medicine, who have less than one full year s work to complete, may be required to take such additional work and to pass such additional examinations as the Medical Faculty may prescribe. This additional work may be selected from any of the courses given in the Department of Medicine, even when such prescribed courses have previously been taken and passed by the candidate in question. Certificates of Attendance.--Students who attend the whole regular course of one or more of the four years are entitled to certificates of attendance. Requirements for Graduation.--The degree of Doctor of Medicine is conferred by the University of Virginia upon candidates who have complied with the entrance requirements of this department; attended a regular medical course of four years of at least eight months each, the last two of which years must have been at this institution; and have satisfactorily completed all of the subjects included in the medical course. Examinations.--These are in writing, accompanied in many subjects by individual practical examinations. Examinations may be held only during the regular examination periods at the end of each term or during the vacation periods. No examinations may be given while regular class work is...
