Read Books, United Kingdom, 2010. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This early work by Gordon G. Goodwin is both expensive and hard to find in its first edition. It contains a wealth of information on the history and designs of the Austin Seven and includes chapters on maintenance, the electrical system, specifications, all accompanied with quality photographs and illustrations. This fascinating work is thoroughly recommended for inclusion on the bookshelf of all car enthusiasts, especially those with an interest in the British car industry. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
