The Internet has absolutely changed the whole world's business landscape since its inception, especially the employment market, which has never been stable lately. As a matter of fact, one cannot guarantee his own job security in such fast moving economic condition. People keep talking about multiple streams of income, passive income and financial freedom but still encounter great obstacles to reach that ideal status. The only solution to such issue is the Internet itself. It has never been easier than now to start a low-cost but high-return online business that can bring sustainable long-term income. 3 Paths To Internet Wealth is the action guideline for existing and potential online entrepreneurs who are pursuing their dream of achieving financial freedom. With the 3 proven business model presented in the manual, readers will find ample of useful information and inspiration for their online business venture. In 2010 alone, the approximate value of US ecommerce sales alone was \$228 billion, not to mention other emerging economies of the world. The figures have been increasing dramatically now. There are more money...
