Hes just been a fan of the game ever since. -Carolyn Peck, ESPN Commentator I think its great to have fans that are that passionate, who care about (the league) that much to invest their time, their energy, their summer vacation to follow the WNBA. -Donna Orender, WNBA President (2005-2010) Oh, the journey dude Man vs. Wild, WNBA style! -Diana Taurasi, Phoenix Mercury My name is Alex Chambers, and I love womens basketball. Yes, it really is that simple. Now come to think of it, loving the game is that simple; being a fan, well, thats another story. The difficulty in being a fan of womens basketball might lie within the struggle to find a televised game, or media coverage you dont have to dig for. It could mean sifting past paragraphs and even pages of negative comments on message boards or blogs to get to a recap of a recent game. Even still, it could be that when I wear my home teams jersey, people ask me, Is that a professional sports team It might also have to do with the fact that (drum roll please) Im a guy. In 2009, I traveled to all thirteen WNBA arenas. Along the way, I was fortunate enough to meet some of the athletes in the WNBA as well as many passionate fans. This is the story of my twenty-eight day, twelve thousand mile journey, filled with adventure and amazing experiences. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
