As its economy has grown to be the 10th largest in the world, Brazil has consolidated its power in South America, extended its influence to the broader region, and become increasingly prominent on the world stage. The Obama Administration's national security strategy regards Brazil as an emerging center of influence, whose leadership it welcomes to pursue progress on bilateral, hemispheric, and global issues. In recent years, U.S.-Brazil relations have generally been positive despite Brazil's prioritization of strengthening relations with neighboring countries and expanding ties with nontraditional partners in the developing South. Although some disagreements have emerged over the past two years--such as different policy approaches toward the situations in Honduras and Iran--Brazil and the United States continue to work together on a number of issues, including counternarcotics, counterterrorism, energy security, trade, human rights, HIV/AIDS, and the environment. Luis Inacio Lula da Silva, known as Lula, of the center-left Workers Party (PT) has served as Brazil's president since 2003. During his two terms, President Lula has largely maintained orthodox economic policies while expanding the Brazilian state...
