

Labor and the Railroads (Classic Reprint)

By James O Fagan

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Labor and the Railroads The great social problems of the day, such as those that have arisen between capital and labor, the trusts and the people, the railroad employee and the railroad manager, are being treated and thought out by American public opinion with marked hesitation. But while this public opinion is drifting around in a sea of theories, corporations and labor unions know just what they want, and, for the most part, how to secure their desired concessions and privileges. In this way, all preconceived notions of the fitness of things, and of the social results to be expected from modern industrial methods, have been completely upset. Carried off their feet by well-directed and organized assaults, political economists and leaders of widely different schools of thought are now in danger of losing their bearings. In a word, the situation is fast resolving itself into a great social and industrial dilemma. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
 -- *Miss Marge Jerde*

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- *Dr. Breana O'Kon*
