Outskirts Press, United States, 2009. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****. Man's Eternal Quest For His Creator And Heavenly Home I started my quest for Heaven at my Mother's death. I was only nine years old. I could not comprehend my Mother's death at the tender age or why God needed my Mother more than, her children obviously did. I wanted to know more about this Heaven. This far away place my Mother was called away to live, forevermore. Heaven is up yonder, my child, past the stars and far beyond, Grandmother told me. I believed my Grandmother was a fair astronomer, and healer. I thought she knew about everything. She once healed pneumonia by drawing blood from a terrapin then mixing it with milk believe it making the poor hapless person drink it. Yuck. My Grandmother used many potent, potions, on the innocent grandchildren through the years. I know this to be a fact, for I survived them all. Grandmother healed a slew of southern ailments. She could tell the direction the wind blew, by spitting into it, if her, bones ached it would rain ever time. YET, whenever, I would ask my Grandmother this simple, childish, question, where is heaven? She would reply by pointing upward into the sky and saying, Up YONDER. ; Stop! I know what you are thinking! No! I did not hail from the Southern Constellation Yonder only nearby Tishomingo co, Mississippi.
