Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Habits Make You What You AreHabits is a book about my personal journey to discover a way to build new good habits, jettison old bad habits, and not go crazy in the process. You'll learn original strategies - not the same old tired ideas you can find in every other book about habits.If you've read any of them, you know that they say that all you have to do is to do the new thing 21 or 28 days in a row. It occurred to me that some of the self-doubting thoughts that I experienced were actually the same as other bad habits. I applied what I had learned about habits in general, and it turns out that I could make and break thought habits as well! This has really helped to change many of my personally limiting...
