Not illustrated. 1902 Excerpt: .than is transforming this blood so made into tissue, what in the mischief have bugs to do with disease? The germ is life; impossible to find life Germs without germs or germs without life, and the germ is simply a transformation of form of life; if the intelligence within the body is surrounded with suggestions of health, forcing it to perform its functions in a natural and proper way, it will make the correct transformation which is known as health; but if the rhythm of its work is interfered with, it will make mal-transformations which are recognized as germs of this, that, and the other disease. The removing of the germ is of no consequence, inasmuch as the intelligence (mind) Remove still builds more germs. Remove the cause, the cause allow the intelligence that built to rebuild correctly, and the specific germs will disappear. Killing the germs is like to a man who is annoyed by a hen laying an egg on his porch every morning, and he sends the servant out to destroy the egg. If you want to stop the laying of the egg on the porch, remove the hen. Good blood and bad blood are results of the building of the intelligence (mind) that makes the blood, and any bugs or anything of that kind you find in your blood are simply the badly or goodly made blood. Our doctors seem to think that man is built and rebuilt without an intelligence to...
