Diane Bleck is The Doodle Girl, and she is on a mission to change the world by inspiring people to discover, dream and doodle at home, school and work. She has spent her career bringing doodling to businesses, healthcare communities, education programs and families. The Doodle Institute opened in 2014 to teach others how putting pen to paper opens your heart channel and lets you access ideas, insights, and inspiration. This coloring book was created by The Doodle Girl Friends to share our love with you and help you open your heart and unlock creativity. So, we invite you to dive in, get messy, start coloring and be part of the magic. We hope this coloring book will help you take time to connect pen to paper, and in doing so, rediscover your creative spirit.
