These sketches were hastily penned amid the hurry of travel for publication in the Newcastle Daily Chronicle, the Sunderland Daily Echo, and certain other English newspapers. Complaisant friends have expressed a desire to have them in book form; therefore this volume appears. If any of the public at large choose to buy it, they must take it for what it is worth. I call Southern California the Golden Land, in part because for a generation we have drawn from it the most precious of metals, in part because when I left it its mountain sides and spreading mesas and sheltered valleys were covered with a golden efflorescence rich beyond compare. To H. P. , J. W. v. , and F. G. S. , my pleasant companions in many a glorious drive, I dedicate the volume. If it should please no one else, it will please them. And that will suffice The Writer.
