

The Problem of the Nations: A Study in the Causes, Symptoms and Effects of Sexual, Disease, and the Education of the Individual Therein (Classic Reprint)

By A Corbett-Smith

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Problem of the Nations: A Study in the Causes, Symptoms and Effects of Sexual, Disease, and the Education of the Individual Therein This is not a Scientific Treatise. It is, or at least I hope it will be found to be, a plain, straightforward account of the greatest curse known to civilization; a plague which is indeed the Problem of the Nations. I have tried to write the account in such a fashion that all may understand. Some technical terms there must be, but in writing about intimate details of sex there is only one language which can, with proper decency, be employed, and that is the language of medical science. In any case there will be found a short glossary at the end of the book which may prove useful. I am not a medical man. If I were I probably could not have tackled the subject from this independent point of view. My outlook would, I feel, have been prejudiced. I have the deepest respect and admiration for the medical profession. I...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
