Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

ANIMATOWN I: THE DISCOVERY

America Star Books, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Michelle L. Earls was born in Corry, Pennsylvania and lived there for the first twenty years of her life. Since she was young, Michelle had a deep interest in both writing and acting. As she grew older, she wrote poetry and prose which was published on the internet and performed in community theater. Now, before she is recruited into the Navy, she is sharing her favorite piece with the rest of the world. Animatown I: The Discovery was created based on small ideas she would have as she watched cartoons with her younger siblings, and now has developed into one enormous idea too big for one book. Soon to follow The Discovery will be Animatown II: The Next Dimension, and Animatown III: The Final Flight.
