A true one knows that the question, How are you today? isn t an invitation for her to unload the day s ordeals. She knows that her unsolicited opinion of a friend s fuzzy lime green sweater dress isn t necessary, and she certainly knows better than to nag or spout gender cliches when the man in her life refuses to stop and ask for directions. As a Lady Would Say is every woman s guide to being delicate in an indelicate world of awkward situations, difficult people, and thorny social dynamics. Sheryl Shade s clever cataloging of real-world scenarios is a humorous look at how a lady should respond in any number of life s irksome situations, along with a guide to which words should never leave her mouth. Get ready to question your own feminine sensibilities, and examine the way you interact with the world around you.
