GOD S BRAIN (HARDBACK)

Prometheus Books, United States, 2010. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. In the fractious debate on the existence of God and the nature of religion, two distinguished authors radically alter the discussion. Taking a perspective rooted in evolutionary biology with a focus on brain science, the authors elucidate the perennial questions about religion: What is its purpose? How did it arise? What is its source? Why does every known culture have some...
