When Michael Moon moves to the country with his mum, dad, and baby sister, he discovers a magical and mysterious cauldron that promises to grant him a wish a day for each of the next four days. It sounds too good to be true, but as Michael's wishes begin to have unexpected consequences, he and his new best friend, Toni, come to realise that the cauldron's promise causes more problems than it solves. As Michael unearths the history of the cauldron, he learns of the shadow it has cast over his new home, and of the trouble and heartache it has caused the local community over the centuries. Michael still has one wish left though. But, can he use it to right some of the wrongs created by the curse of the cauldron?".
