ENVIRONMENTAL ECONOMICS (HARDBACK)

Oxford University Press Australia, Australia, 2010. Hardback. Book Condition: New. 2nd. 238 x 196 mm. Language: English . Brand New Book. Environmental Economics is the first text to concentrate solely on environmental economics--the problems of earth, air, and water pollution from an economic perspective--with an emphasis on both government regulation and private-sector anti-pollution incentives. With the assumption that readers already have an understanding of intermediate microeconomics, the book reaches into more detail on theory and analysis than most other textbooks...

Reviews

I actually started off looking over this publication. It is written in easy terms instead of difficult to understand. You are going to like the way the writer write this ebook.
