Excerpt: . . . department did not indicate whether it was preparing discussions with additional countries. For the other indicator, State reported sales of 755 billion in total U. S. exports of goods, surpassing the 2000 target of 720 billion. States performance goals, strategies, indicators, and performance targets outlined in the performance plan for 2002 are more clearly linked to the key outcome of expanding U. S. exports to 1. 2 trillion than they were in the 2000 performance report. States two performance goals are to (1) provide support to U. S. businesses competing worldwide and (2) increase exports of oil and gas field equipment and services, telecommunications equipment and services, and agricultural produce. Strategies include promoting business and exports, supporting U. S. foreign direct investments, and promoting corporate responsibility and best practices. State will assess progress toward achieving the outcome using eight performance indicators that are generally objective and measurable. Although all of the indicators have specific baselines for 2000...
