Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from William Penn, and James Oglethorpe The materials for a biography of William Penn, as a distinguished member of the Society of Friends, and as the Founder of Pennsylvania, are abundant. For the most part, they have been faithfully used. Joseph Besse, who made the first collection of his numerous writings, prefixed to them a sketch of his life, with an appendix, made up of many of his principal religious letters. The French work, by Marsillac, ( Vie de Guillaume Penn, 1792, 8vo., two volumes in one, ) is a compilation judiciously made, and contains some Pennsylvania documents. The magazines, encyclopaedias, and biographical dictionaries, add some valuable materials, as do also several of the journals and letters of leading Quakers, contemporary with Penn. Clarkson had access to the family papers in possession of Penn s grandson in England, and his volumes, written with all the wisdom and candor of the author, contain but a very few inaccuracies. Ebeling s History of Pennsylvania affords, in its early chapters, translated by Peter S. Duponceau, and printed in Hazard s Register of Pennsylvania, in the main, a just view of the Proprietor. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
