Understanding the World Economy

By Tony Cleaver

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 4th Revised edition. 230 x 154 mm. Language: English . Brand New Book. This fourth edition of Understanding the World Economy will continue to provide the reader with the clearest guide available to the global economic scene. Since the last edition was published in 2006, enormous changes have taken place. The world economy has been in upheaval with the biggest financial crash and ensuing recession since the 1930s; with a global re-ordering of economic power relations; with widespread demonstrations by those left behind; with divergent views about where Europe is heading; with a growing scarcity of essential resources; with increasing international terrorism and with increasing concerns of environmental degradation and climate change. To embrace such urgent issues, this text is an almost entirely rewritten version of earlier editions. Tony Cleaver takes a long look at the evolution of market systems and how they have liberated peoples on one side of the globe and yet driven others into debt, depression and despair. He analyses causes and consequences, and discusses (and sometimes dismisses) economic theories. Topics covered include: * Why crashes occur * What causes some countries to grow and others to...
