## Before Birth: A Week-By-Week Guide to Your Baby's Development During Pregnancy

By Julie Currin MD

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Thomas James (illustrator). 216 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. As a graduate of medical school and practicing pediatrician, Dr. Julie Currin was intimately aware of the amazing stages of fetal growth and development occurring during each of her three pregnancies. It wasn't until her own sister's pregnancy, however, that Currin realized how little reliable and accessible information was available to expectant parents who haven't had the benefit of complex embryology and anatomy classes. So, with her sister and her sister's rapidly growing unborn child in mind, Currin set out to translate the complex stages of growth she learned about during medical school courses into a compilation of fun, interesting, and scientifically sound information that expectant parents can understand. Now she's making Before Birth available to everyone. Organized according to the forty-week model of pregnancy, Currin uses clear language and colorful illustrations to convey the complex mystery of fetal development to audiences unfamiliar with or daunted by medical terminology. While other books focus on the changes to the mother's body, Before Birth focuses specifically on the...
