## Computer Knowledge for the CWE Clerical Cadre

By Editorial Team of Content Crop

Pearson Education, 2012. Softcover. Book Condition: New. First edition. With the consolidation of public sector banking examination under the aegis of the Institute of Banking Personnel Selection (IBPS), 19 public sector banks have agreed to have a single-window examination known as Common Written Examination (CWE) for the recruitment of probationary officers (POs), management trainees and clerks. To help candidates achieve success in the CWE, the Pearson Banking Series brings a set of books providing study material especially developed to meet the requirement of this examination. CWE broadly covers the following areas?English, computer knowledge, general knowledge, numerical aptitude, and reasoning. This series covers all these areas and is a reliable resource guide for the written examination. Each book is systematically divided into separate parts dealing with theory, assessment and practice. As a perfect blend of well-explained concepts and plenty of practice questions based on the examination pattern, this series intends to facilitate the learning process and improve the problem-solving skills of aspirants, leading them towards success.
