By Shannon Anderson

Free Spirit Publishing Inc., U.S., United States, 2016. Paperback. Book Condition: New. Colleen Madden (illustrator). 254 x 203 mm. Language: English . Brand New Book. "My teachers say I'm coasting, that I just do well enough. But why do I want to waste my time on super boring stuff?" Casey is bright, but doesn't apply himself at school. Instead, he coasts—doing just well enough to get by, and ignoring homework and projects that don't interest him. What does interest Casey is art. He loves to draw, make music, and create. Sometimes this enthusiasm interferes with learning and gets him into trouble. With help from his school principal, Casey learns to apply his passions to his schoolwork. Told in humorous rhyme, this lively story will speak to bored students and to any kid who can and wants to do better. The book concludes with tips and information to help parents, teachers, counselors, and other adults foster dialogue with any kid wrestling with underachievement.
