Take Charge of Your Fertility explains everything the prospective parent may need to know as they face the physical, emotional and practical challenges of trying for a baby. It covers health issues in full, from basic biology and an explanation of fertility and cycles to outlining what supplements are useful and what aren't, and how you can maximise your chances by following a healthy diet and cutting alcohol or nicotine intake. There are plenty of resources and guidelines for parents facing difficulties, including a guide to the medical options, and advice on how to seek further help. It will help couples to deal with the emotional issues faced when trying for a baby, and will also give practical information on who you should tell and who you must tell, and when. With coverage of all aspects of very early pregnancy, from do-it-yourself tests to the very first scan, it will be a useful resource which will help all prospective parents, whether looking to start or to expand their family. NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. TEST YOURSELF Tests in the book and online to keep track of your progress. EXTEND YOUR KNOWLEDGE Extra online articles at to give you a richer understanding of your fertility. FIVE THINGS TO REMEMBER Quick refreshers to help you remember the key facts. TRY THIS Innovative exercises illustrate what you've learnt and how to use it.
