Methuen Publishing Ltd, United Kingdom, 2001. Paperback. Book Condition: New. New edition. 194 x 130 mm. Language: English . Brand New Book. A true story of one of the world's strangest plants and humanity's oddest obsessions: the orchid, brought to book by the author, traveller and self-confessed orchid obsessive. From the Orinoco River to the hothouses of Kew, and the clandestine nurseries of Europe to the peat bogs of Minnesota, this is a dark and humorous tale of orchid smugglers, ice-cream makers and visionary breeders; of corruption, murder and moths with 12-inch tongues; and of the vicious, bizarre world of international plant politics and the wide range of gentle people whose overriding passion is the cultivation of these beautiful, fragile flowers.
