This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Thames & Hudson Ltd. Hardback. Book Condition: new. BRAND NEW, I Can Make Dolls' Clothes: Easy-To-Follow Patterns to Make Clothes and Accessories for Your Favourite Doll, Louise Scott-Smith, Georgia Vaux, This book teaches children of 7+ how to make fashionably cool mix-and-match clothes for a standard 30 cm (12 in) plastic doll. Its approach is simple, quick and fun, and the results are extremely stylish. At the beginning of the book, children are encouraged to be creative and adapt the patterns to make their own designs. The main section of the book includes patterns for nine garments, each with an actual-size pattern on the page to use as a template, along with super-clear instructions and illustrations of each step. Helpful tips and inspirational photographs of the dolls modelling the finished clothes run throughout the book, and a section at the back sets out the basics of sewing, including how to thread a needle, do a running stitch and sew on poppers and buttons.
