By Joel McIver

Not Signed; The very first book about the Anglo-American metal band Tool explores not only their uncompromising music but also their unsettling, self-made image based on mythological symbols and arcane theories. Now available in paperback. The quartet of master musicians - Maynard James Keenan, Danny Carey, Justin Chancellor and Adam Jones - emerged from the club scene in Los Angeles in 1990 alongside their friends Rage Against the Machine, grabbing the concept of heavy music and then completely redefining it.
